

Get Well

If you are sick, you wish to get well, don't you? Of course you do. You wish to be rid of the pain and misery, and be happy again.

If your illness is caused by female trouble, you can quickly get the right remedy to get well. It's **Cardui**. This great medicine, for women, has relieved or cured thousands of ladies, suffering like you from some female trouble.

TAKE CARDUI

For Women's Ills

It is believed that it can be lifted from its foundation, in whole or in part, by one of the railroad steam cranes and loaded on a car and taken to Franklin. Bad Habit.

One of the worst habits that boys can fall into is that of loafing about the street at night. It is then that they cast their lots in slippery places. All good and noble lessons taught them by their mothers are nullified. They learn nothing that is good, but everything bad. The boys who spend their evenings at home with good books for their companions, are the future hope of the country. They will fill our legislative and congressional halls, and sit in judgment on men and measures, while the boys who run the streets will fill our penitentiaries, almshouses and lunatic asylums. Parents who are responsible for these broken laws of decency will have broken hearts and bowed heads in the awakening years that will inevitably follow.
